Our Goal is to get some lockable, exterior outlets on The Jewel for use by WSFM. They also need a bathroom letter for the health department and unless anyone has an objection, I would like to give that letter to them from LTT. They will never actually use the bathroom as I understand it, but we may need to give a key to the WSFM Operator.

Vitalization and the BID hope to start the WSFM on Sunday, July 17 from 9 to 2. We'll keep you updated in the Team Meetings.
